

RIDER AND PERFORMANCE AGREEMENT

Thank you for choosing Straight Path for your upcoming event on _____,
at _____.

We will be arriving at _____ to set up our equipment. Please make sure that someone
will be there to provide access.

Listed below are the minimum requirements for a standard concert. The group can be
adapted for smaller events, but will require some discussion, to best serve you. Many of the
items listed are negotiable, understanding that it may affect the complete sound. Please
contact us with any questions you have. Our goal is to serve our Lord in the best way
possible.

NEEDED:

POWER: 2 – 20 amp circuits or generator w/ 2 – 20 amp circuits.

PLATFORM OR STAGE AREA: 10 x 20 feet in size*

If stage entrance is not on the same level as the entry, a means of transporting equipment to
that level is needed. (by way of an elevator, or able-bodied people, cart, etc.)

ANNOUNCER or M/C: Someone to introduce and make any announcements, especially in
the event that a love offering is taken.

WATER/BEVERAGE: Water, please! Any other beverage you might offer is welcomed, also.

2 TABLES: 1 med/large 4' x 4' for the sound board
1 small for shirts, CD's, etc.

PRAYER WARRIORS: People designated to pray over the event and before the event, and
if possible, at the site!

PRAYER COUNSELORS: In the event the opportunity for an altar call is available, we need
other Spirit-filled individuals along with our members, to pray with people.

ADEQUATE ADVERTISING: If your event is open to the public, please use all means
possible to draw people. Please include the name of our ministry with any advertising or
flyers. Any promotional materials you need, please contact us. We can provide a general
flyer for you to make copies, and posters when available.

OUTDOOR EVENTS:

CARPETS/RUNNERS: If power cords and lines cannot be taped down, small runners or
carpets need to be provided for your safety.

SHELTER: If there is a possibility of rain, a shelter (waterproof, please!) will need to be provided or an alternate place to play for our safety.

SOUND SYSTEM:

We are equipped with our own system and technician but if your event offers its own sound system or you have hired a system to come in, we will need:

- 16 channel mixer (min)
- 2 Shure Beta 58 vocal microphones (equiv.)
- 5 direct boxes or 1/4" mono inputs
- 4 monitors
- 2 monitor sends – 500 watts amp power
- 1500/2000 watt amp power, main house
- sound technician*

*If a sound technician is provided, our sound engineer would like to supervise whenever possible.

SAFETY:

It is necessary for your safety and the safety of our performers, that no unauthorized persons should be allowed on or around the stage area, the equipment, or the sound board area at all times. You are responsible for any damages to equipment during the duration of the event. Please have some type of supervision available. We are not liable for injuries. We encourage children and adults to dance, have fun and worship the Lord, but please keep them at a safe distance. Should someone need to speak with us, we will gladly come to them.

GIFTS: Any monies given should be handed to our Treasurer, Jim Hippert (mandolin player) or mailed to:
